Danced 27 Hours

Miss Alma Cummings after her world's record dance of 27 hours.

NEW YORK, April 5—This is a tale of the lowly spud.

Boiled and salted it formed the early diet of Miss Alma Cummings of San Antonio, Tex.

Mashed and salted it carried her through the perils of Texas ranch life.

Baked and salted it sustained her in New York where recently she danced continuously for 27 hours and established a record for long distance dancing.

During the time that she was establishing her record Miss Cummings exhausted one band, two talking machines, 12 dance records, one pair of shoes and eight partners.
